Media Release Form – Minors

By completing this form, you grant permission for the image or video of any of those named below to be used in the manner described in the Main Street Baptist Church Media Policy. Any minor without the Media Release Form on file will not have their image or video used in any publicity.

Main Street Baptist Church Media Policy

Media images and recordings bring life to and help tell the story of Main Street's faith community, enhance the quality of the information we provide to our members and visitors and give an idea of what to expect when attending our services. We would like to share media items recorded at our various ministry activities, events and programs in church-produced materials (including, but not limited to, bulletins, posters, etc.) on the church website and on social media outlets. * Please note that media items used during live stream services, on our website and in social media outlets are viewable by everyone. *

Accordingly, participation in church activities implies permission for publication of any media recorded, unless a signed "Media Opt-Out Form" is on file with the church office. This applies to anyone who attends our church except minors. Any minor without the Media Release Form on file will not have their image or video used in any publicity. While we reserve the right to photograph and record church events, in an effort to respect your privacy, we will strive to adhere to the following guidelines:

- Any adult may complete the Media Opt-Out Form if they do not wish for media items in which they or their minor children are prominently featured to be used in Main Street Baptist Church's publications.
- Anyone may request a particular media item which prominently features them, or their minor children, be removed from use by submitting a request to the church office.
- If you submit images to be used by Main Street Baptist Church, you are giving the church the right to use the photo and/or video. Media submitted must not contain any copyrighted material without permission.
- This policy will be posted to the church website for public access and download.

If you do NOT want your media to be used, please submit the "Media Opt-Out Form"

Parents, for a photo or video of your child to be used, we need your permission.
